¹ USPS Request to Remove Parcel Return Service from the Competitive Product List, August 12, 2022 (Request).

II. Summary of Changes

The Postal Service requests to remove Parcel Return Service from the competitive product list effective January 22, 2023. *See* Request at 1. The Postal Service proposes this change because, as it asserts, Parcel Return Service is provided primarily through negotiated service agreements (NSAs), with only three existing “customers using Parcel Return Service at published rates.” *Id.* Attachment B at 1. According to the Postal Service, existing customers' Parcel Return Service volume would be “able to be covered via NSAs, as appropriate.” *Id.*

The Postal Service states that “[t]he elimination of Parcel Return Service from the competitive product list will simplify and streamline the Postal Service's product offerings, and minimize customer confusion.” *Id.* The Postal Service asserts that its request to remove Parcel Return Service from the competitive product list is consistent with applicable regulations. *See id.* The Postal Service further asserts that removing Parcel Return Service from the competitive product list will not result in the violation of 39 U.S.C. 3633 because the remaining competitive products are expected “to cover their attributable costs and make a positive contribution to institutional costs[.]” *See id.* at 2.

III. Notice of Commission Action

The Commission establishes Docket No. MC2022–95 to consider matters raised by the Request. Pursuant to 39 CFR 3040.133, the Commission has posted the Request on its website. The Commission invites comments on the Request. Comments are due no later than September 16, 2022. The filing can be accessed via the Commission's website (<http://www.prc.gov>).

DECISION OF THE GOVERNORS OF THE UNITED STATES POSTAL SERVICE ON CHANGES IN CLASSIFICATIONS OF GENERAL APPLICABILITY FOR COMPETITIVE PRODUCTS (GOVERNORS' DECISION No. 22-5)

August 9, 2022

STATEMENT OF EXPLANATION AND JUSTIFICATION

Pursuant to authority under section 3632 of title 39, as amended by the Postal Accountability and Enhancement Act of 2006 ("PAEA"), we establish changes in classifications of general applicability for a competitive product, and do so here with regard to the removal of Parcel Return Service from the competitive product list. The changes are described generally below, with a detailed description of the changes in the attached draft of the relevant sections of the Mail Classification Schedule, with the classification changes in legislative format.

Parcel Return Service was originally designed for shippers, shipping agents, or return logistics providers who can retrieve items in bulk from the Postal Service's Return Delivery Units (RDUs) and/or Return Sectional Center Facilities (RSCFs). Over time, Parcel Return Service has evolved to become almost solely provided through negotiated service agreements (NSAs). There are currently only three customers using Parcel Return Service at published rates. With these changes, the Parcel Return Service product will be removed from the competitive product list, but will continue to be offered solely through NSAs. The volume from these three customers would still be able to be covered via NSAs, as appropriate.

The Postal Service expects that there will be minimal impact to its retail and commercial customers from the elimination of Parcel Return Service. All customers interested in a bulk package return service will still be able to utilize Parcel Return Service via an NSA. Eliminating Parcel Return Service from the competitive product list will further simplify and streamline the Postal Service's offerings, and avoid customer confusion.

ORDER

The changes in classes set forth herein shall be effective at 12:01 A.M. on January 22, 2023. We direct the Secretary to have this decision published in the *Federal Register* in accordance with 39 U.S.C. § 3632(b)(2) and direct management to file with the Postal Regulatory Commission appropriate notice of these changes.
